

Switch and Socket Boxes

PRODUCT FEATURES

- The sizes of our boxes are manufactured in line with BS 4662 standards to enable correct fittings of BS standard wiring devices.
- Adjustable lugs fitted with earth terminal as standard.
- Manufactured from controlled grade pre-coated galvanized steel strip

PRODUCT APPLICATIONS

- Walsall switch and socket boxes can be used in many domestic and commercial applications. They are designed to withstand normal knocks and can easily stand up to the wear and tear of busy working conditions.
